

OFFICIAL LAUNCH OF CIC - SINGAPORE'S FIRST GLOBAL COMMODITIES TRADING PLATFORM, A JOINT-VENTURE WITH ZALL SMARTCOM, GETS AND SGX

12 October, 2018

Commodities Intelligence Centre (CIC) launched Singapore's first physical commodity B2B e-trading platform, together with its key industry partners ZALL SMARTCOMM (ZALL), Singapore Exchange Limited (SGX), and GeTS, with Enterprise Singapore having played an important role in bringing the three partners together. Built on GeTS Open Trade Blockchain, the CIC platform boasts of enhanced security across trade related documents, from Certificates of Origin, to Commercial Invoices.
